

Year 2 Trip to Kassa Zoo

Zoos provide children with an opportunity to see animals, they may encounter in their everyday lives. The exposure to different animals can be fascinating and educational to them.

Year 2 went for a trip to Kassa zoo on Wednesday 29th May 2024.

After an hour drive in a bus with lots of singing and excitement, finally we arrived at Kassa zoo. When we entered at the gate we saw the impalas, zebras, giraffes, camels and horses walking around an open field this was the most amazing thing we saw at our arrival. We were welcomed by a nice kind man called Mr. Albert the manager.

Soon we were ready for our tour, we meet the tour guide called Mr. Raphel, he took us around the zoo, we got to see different kind of animals such as crocodiles, monitor lizard, lions, giraffe, zebra, tortoise, turtle, hyena, baboons, monkeys, parrots and snakes.

We were very lucky to see these animals. we fed the giraffes and patted the baby cub her name was Nisha.

At this time everyone was hungry. We washed our hands sat in the restaurant and ate our snack. We still had a lot to do at the zoo.

It was time for us to go on the camel and horse ride. A kind Masai brought these animals and helped us to go on our ride, we got to choose what ride we wanted, the Masai took us around. When we were done with our ride we decided to play football on an open field. We ran around sat on the swings and enjoyed the open air, it was lunch time already we washed our hands again and went back to the restaurant to have our yummy lunch. After we were done eating we packed our bags and it was time for us to say goodbye and thank you to everyone at Kassa zoo. We were tired on our way back and slept in the bus, but indeed we had a lot fun and most unforgettable trip.
