

Year 3 Camping Trip

As their very first overnight trip, Year 3 camped on the school premises, having a night away from home without parents. Some, for the first time ever! How brave they all were!

Friday after school, children put up their own tents and unpacked their bags. Mr Ali led an exciting game of football followed by a cool dip in the pool where children were able to show off their swimming skills as well as have fun splashing about.

A yummy dinner was enjoyed by all with a fun movie and popcorn afterwards.

The next day started with an early morning jog around Capri Point, followed by some relaxing yoga and aerobics set to some funky beats. After breakfast, we all went for a scenic walk up to the top of Capri Point, sketching the picturesque view of our magnificent Lake Victoria.

Our morning ended with another refreshing swim and a yummy ice lolly to cool down. What a trip! The Year 3 children all showed maturity and independence for their first school journey. Well done Year 3!
